

16040 Flap striking plate

Flap striking plate as main strike plate

Product profile

Flap striking plate in stainless steel as main striking plate for latch/bolt for multi-point locks of the MINT family. If required, the lug can be shortened to fit.

Standard version

- X-Mass: 36.5 mm
- Distance: 72-74 mm
- Width: 24 mm + flap 30 mm = 54 mm
- Length: 270 mm
- Depth: 3 mm
- Can be used for DIN L and DIN R
- Stainless steel matt

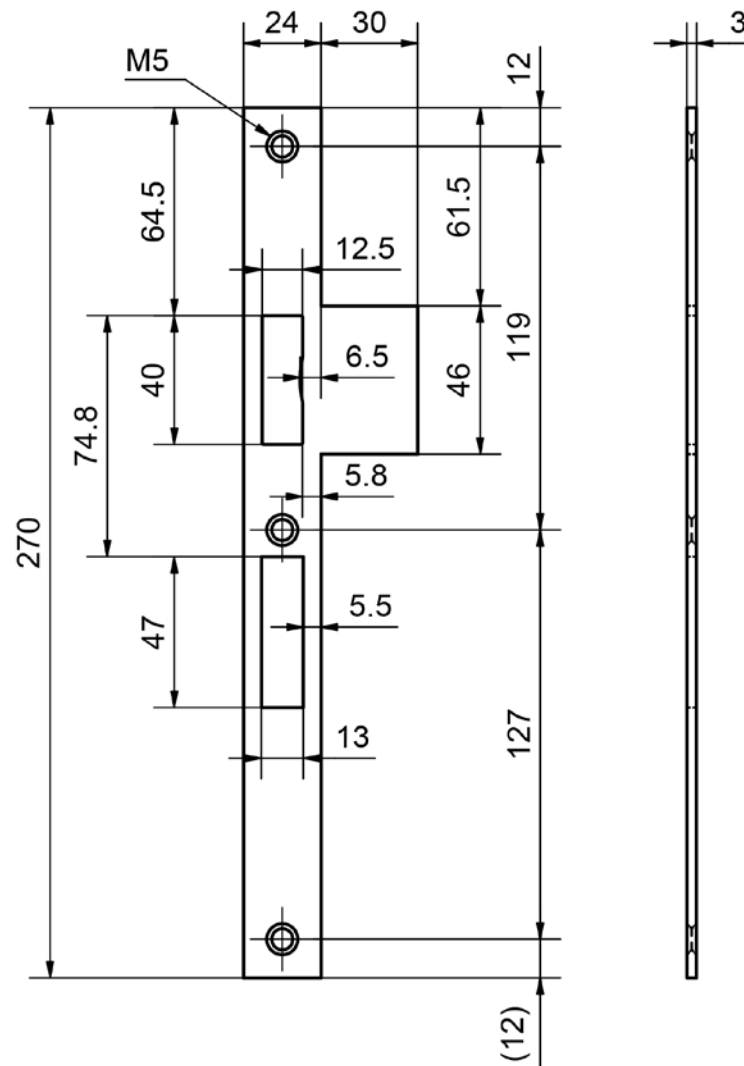

Important note

- When shortening the flap, the edge must be chamfered.
