

87305.12 Power supply 12 V DC / 60 W for DIN rail mounting

Product profile

Switching power supply for DIN / top hat rail mounting

Standard version

- Input voltage: 85-264 V AC
- Output voltage: 12 V DC, electronically regulated
- Output current: max. 4.5 A
- Power: 60 W
- Dimensions: 53 x 90 x 59 mm (W x H x D)
