

## 5267 Elite Basle

Die cast Zinc lever handle

Picture shows handle with 5620C rose

### Product profile

The product range 'Basle' was created in cooperation with the architects Diener & Diener. The range comprises the 5067 for domestic accommodation, and the slightly larger 5267 for commercial buildings. For fire rated doors, model 5287 should be used. With their stainless steel shoulder, the 5087 and 5287 form a high-quality complement to this model.
