

B-1133 Boxed striking plate 24 mm

Boxed striking plate as center striking plate

Product profile

Boxed striking plate in stainless steel as center striking plate for latch/bolt. For the mortice and multipoint locks of the Glutz MINT family. Caused by the tensile ductility of the material and the sophisticated construction of the invisible angled screws, highest resistance forces against deformation and pull out will be reached.

Standard version

- X-Dimension (X-Mass): 8 mm
- Distance: 72-94 mm
- Width: 24 mm
- Length: 210 mm
- Depth: 10 mm
- 3 special screws for invisible angled screwing
- 3 countersunk head screws for wood
- DIN L and R
- Matt stainless steel

Options

- Black plastic push-fit box for covering latch and bolt mortices

Important note

Approved for RC3 door elements with a 3-point multipoint lock (EN 1627-1630).

Approved for RC4 door elements with a 5-point multipoint lock (EN 1627-1630).
