

87301 Power supply

24 V DC/36 W for DIN rail mounting

Product profile

Switching power supply for DIN/top hat rail mounting

Standard version

- Input voltage: 85-264 V AC
- Output voltage: 24 V DC, electronically regulated
- Output current: max. 1,5 A
- Power: 36 W
- Dimensions: 53 x 90 x 59 mm (W x H x D)
